From the Manse...

Due to an illness I wouldn't wish on my worst enemy, this month's Newsletter is more of a News sheet! One hopes and prays that normal service will be resumed as soon as possible!

May I just say a word of thanks to all who sent their kind good wishes and prayers which were much appreciated.

Songs of Praise at the Piers - Findhorn

Don't miss this popular annual event which will take place on 25th July at 6 pm with the RAF Kinloss Voluntary Band.. Don't worry if it is a wet day for just as Wimbledon has a state of the art roof, we have the equally inviting and comfortable shelter of the Milne's Institute! See you there!

Kirk beams onto iPhones and iPads

IN WHAT was believed to be a first for Britain, a Church of Scotland congregation in Bo'ness has screened its Sunday services live onto iPhones and iPads. Members of Bo'ness St Andrew's Church say this groundbreaking move allows people to follow worship real-time in nursing homes, public transport and even on the golf course. The pioneering venture was spearheaded by minister Reverend Albert Bogle and congregation member Neil MacLennan. Mr MacLennan explained: "We've been webcasting our services for a number of years now, but with last week's iPad launch in Britain we felt now was the time to test out the Apple applications. "We tried the technology a fortnight ago, and I was able to sit in my car on the Royal Mile in Edinburgh and watch the morning service live. (Comments on this to the Manse by snail mail only! Ed.)
